Nurturing Hearts, Building Futures

AFFECTION ♥ CONFIDENCE ♥ EDUCATION

“Without affection there is no confidence;
without confidence there is no education.”

— Don Bosco

To Every Dreamer, Learner & Achiever ♥

Dear children,

Don Bosco believed that education is not only about books, marks and examinations. Education begins in the heart. A child learns best when he or she feels loved, respected, understood and accepted. That is why Don Bosco said:

“Without affection there is no confidence;
without confidence there is no education.”

AFFECTION does not mean simply giving gifts or fulfilling every desire of a child. True affection means showing genuine love, care, concern and interest. When a teacher or parent lovingly asks, “How are you? What is troubling you? How can I help you?”, the child feels important.

CONFIDENCE is born when there is affection. A child begins to trust the teacher. The child is no longer afraid to ask questions, admit mistakes or seek help. He or she feels safe.

EDUCATION becomes possible when there is confidence and trust.

Dear children, remember this: your teachers do not correct you because they hate you. Very often, correction is also an expression of love. Sometimes medicine is bitter, but it helps us to become healthy. In the same way, discipline and correction may be difficult, but they help us to become better persons.

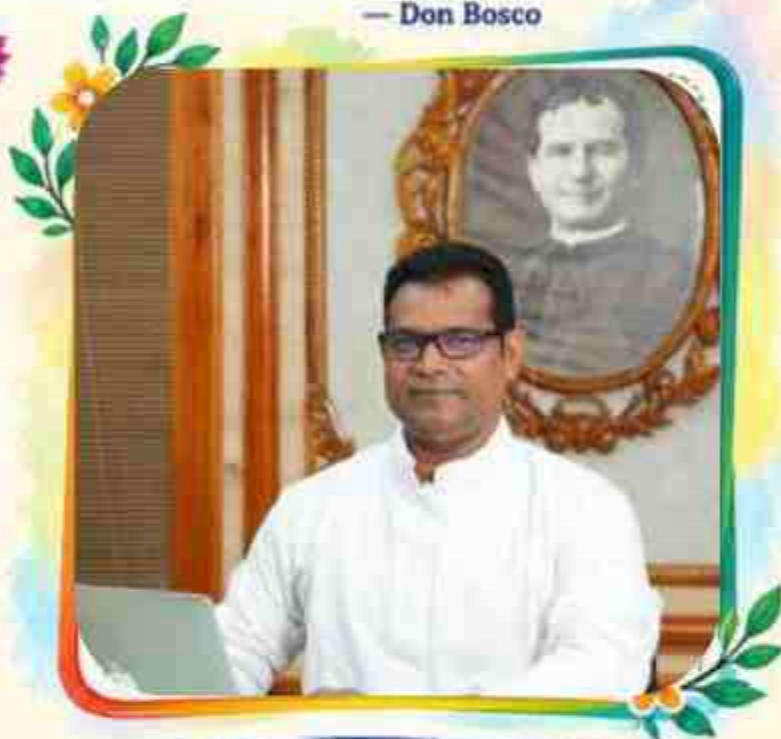

Therefore, do not be afraid of your teachers. Trust them. Speak to them. Learn from them. At the same time, teachers and parents must always remember the heart of Don Bosco: *first win the heart of the child, and then guide the mind and character of the child.*

Dear children, education is not successful when you simply pass examinations. Real education happens when your mind gains knowledge, your heart learns love, and your character becomes strong.

My dear children,
never forget: ♥

“First feel loved,
then learn to trust,
and then learn to grow.”

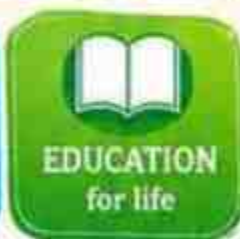

So let us build our school
on three foundations:

AFFECTION
in the heart

CONFIDENCE
in relationships

EDUCATION
for life

♥ Let us love one another, trust one another
and help one another to grow. ♥

“Because when a child feels loved,
the child begins to believe;
when the child begins to learn;
and when the child learns with love,
the child can build a better future.”

Letter from the Editor

Dear Readers,

It gives me great joy to connect with you through this August edition of our school newsletter.

August is a month of immense significance for our nation. As we celebrate Independence Day, we are reminded of the sacrifices made by countless freedom fighters who dreamed of a free and united India. Their courage and determination continue to inspire us to be responsible citizens who contribute to the progress and harmony of our country.

At Don Bosco, we believe in nurturing not just academic excellence, but also strong values, compassion, and a spirit of service. I am proud to see our students actively participating in various activities, growing in confidence, and bringing laurels to our school.

This month, let us take a moment to reflect on our responsibilities—towards our family, our community, and our country. Let us pledge to be honest, kind, and courageous in all that we do.

Bonding between
Brother and Sister

The Story of Rakhi Festival

Long ago, in ancient times, a demon king named Bali had great power and ruled over the three worlds. The gods were worried and went to Lord Vishnu for help. Vishnu took birth as Vamana, a dwarf brahmachari, and went to King Bali.

Impressed by Vamana's humility and wisdom, King Bali gave him three steps of land as charity. Vamana then grew in his divine form and covered the earth and the sky in two steps. For the third step, King Bali offered his own head with devotion.

Pleased with his sincerity, Lord Vishnu blessed him and allowed him to rule in Patal Lok. Before leaving, Bali's wife, Goddess Lakshmi (in some tales, it is said as his sister), tied a sacred thread on his wrist and prayed for his protection. Moved by her love, Bali promised to protect her always.

Thus, the sacred thread of love and protection became the symbol of Rakhi – a beautiful bond between brother and sister.

Significance of Rakhi

- Rakhi is a symbol of love, trust and lifelong bond between brother and sister.
- It is a promise of protection, respect and care.
- It strengthens family relationships and spreads happiness and harmony.
- It reminds us to always stand by our loved ones in every situation.

फुरसत के पल

Moments of Leisure

लेखिका: स्नेहा श्रीवास्तव

आज इक्कीसवीं सदी का जीवन भी वंदे भारत ट्रेन की तरह हो गया है। हम सब कुछ जल्द से जल्द पा लेना चाहते हैं। इस अंधी दौड़ में सबसे आगे रहने की ललक हमें दिन-प्रतिदिन आकांक्षी और अधीर बनाती जा रही है। हम अपने जीवन में बहुत कुछ हासिल करना चाहते हैं, लेकिन इस चाहत में हम अपने आप को ही भूलते जा रहे हैं।

हमारी ज़िंदगी बस चली जा रही है बिना रुके। कई बार हम इस दौड़ा-दौड़ी में खीज जाते हैं, हार जाते हैं। कई बार अपने मन में इसके असहनीय भार को हम सहन नहीं कर पाते और न ही इस पीड़ा को किसी को बता पाते हैं। मन ही मन हम खिजलाते और झुंडलाते हैं। कई बार आपसी रिश्ते भी खराब कर लेते हैं। हृदय पर ढेर सारा भार लेकर हम कभी भी वो नहीं हो पाते जो हम हैं। हम स्वयं अपने आप को भी भूल जाते हैं।

हम अपने जीवन में रुकना ही नहीं चाहते और शायद इस बात का हमें एहसास भी नहीं होता कि निरंतर चलते रहने के लिए थोड़ा रुकना भी ज़रूरी है। जीवन में जीत प्राप्त करने के लिए कभी-कभी हारना भी ज़रूरी है।

हर वक्त हमारी आँखों के सामने एक लक्ष्य रहता है, जिसे हम समय से पहले पूरा कर लेना चाहते हैं। एक काम खत्म होते ही दूसरा काम सामने आ जाता है। उसे जल्दी और बेहतर करने की होड़ में हम अपनों को और स्वयं को पीछे छोड़ते जा रहे हैं। हम यह भूल रहे हैं कि यह सब मेहनत हम अपनों और अपने आप के लिए ही तो कर रहे हैं।

हर दिन हमें अपने लिए फुरसत के कुछ पल निकालने चाहिए ताकि हम चिंतामुक्त होकर जी सकें, उस पल को सुकून से व्यतीत कर सकें और जीवन का आनांद ले सकें।

यह जीवन हमें कुछ सृजनात्मक, रचनात्मक और मानव सेवा के कार्यों के लिए मिला है; समाज में रहकर समाज के लिए कुछ योगदान देने के लिए मिला है। परंतु, इन सभी कार्यों को करने में हम सक्षम तभी हो पाएंगे जब हम फुरसत के कुछ पल निकालेंगे—

फुरसत के कुछ
पल अपने लिए

अपनी पसंद के काम करें,
मन को शांति और ऊर्जा दें।

फुरसत के कुछ
पल अपनों के लिए

अपनों के साथ समय बिताएँ,
रिश्तों को प्रेम और स्नेह दें।

फुरसत के कुछ
पल समाज के लिए

समाज सेवा करें, प्रकृति की रक्षा करें,
मानवता को अपना योगदान दें।
