PRINCIPAL'S VISION

Hey Team! I see the hard work you're putting in. Remember: Quality > Quantity. Here is how to study smarter this season:

THE "MEMORY" HACK: Stop re-reading; start Retrieving. Close the book and explain the topic out loud. If you can teach it, you know it!

THE "STAYING" HACK: Stop the cramming. Use Spaced Repetition. Study a topic for 20 minutes today, then 5 minutes tomorrow. It locks the info in!

THE "FOCUS" HACK: Use the Pomodoro Method. 25 minutes of total focus + 5 minutes of rest. It prevents your brain from "glitching" after an hour.

Please remember that while grades are a milestone, your wellbeing is the priority. A well-rested mind performs better than an exhausted one.

Wishing you all focus and clarity,

Ms. Asha Kumari
Principal

GREETINGS FROM THE EDITOR BELOVED READERS,

Theme: Empowering Minds · Serving Society · Celebrating Excellence

This edition of the school newsletter stands as a testament to our institution's commitment to career readiness, digital responsibility, academic enrichment, cultural celebration, and social service. Each initiative undertaken during this period reflects our belief that education extends far beyond textbooks and classrooms. The month commenced with a Career Guidance Programme, providing students with valuable insights into academic pathways and future career opportunities. This was complemented by a Cyber Crime Awareness Programme, which sensitised learners to safe, responsible, and ethical digital practices in an increasingly connected world.

Learning was further enriched through a Provincial Academic Visit, offering students meaningful exposure and experiential learning beyond the school environment.

The joy of togetherness and festive spirit was beautifully expressed through Christmas Celebrations, fostering values of love, peace, and sharing. Upholding our school's ethos of service and empathy, students actively participated in Seva Karikramam and Charity Week, reaching out to the community and reinforcing the importance of compassion and social responsibility. We proudly acknowledge the commendable achievements of our students. A group of primary students were selected for national-level participation by the LEAD Group, highlighting their confidence and emerging talents. An NCC cadet brought great honour to the school by being selected for the Republic Day Parade, exemplifying discipline, leadership, and patriotic spirit. Adding to these accolades, a Grade VIII student was selected by

Britannica for a national-level essay writing competition, reflecting academic excellence and creative expression. This newsletter captures these milestones and moments of pride that continue to inspire our school community. We extend our sincere gratitude to the students, teachers, parents, and mentors whose collective efforts make every endeavour a success.

We hope that they carry the same determination and confidence with them. Their success reminds all of us that with sincere effort and the right mindset, nothing is impossible.

Wishing all our students a bright, happy and successful future.

FUTURE PATHWAYS

The Career Guidance Programme was organised on 1st December 2025 by Fr Justine youth director to provide students with systematic exposure to diverse academic streams, professional courses, and contemporary career opportunities. The sessions emphasised aptitude awareness, goal setting, and informed decision-making, thereby supporting students in planning purposeful academic and professional journeys. Career guidance is a crucial part of helping students to develop in their academic careers. It helps students to decide which subjects they should take up, why they are vital and what is the scope of a particular subject. It also helps in making the right choice of subject in higher studies.

DIGITAL SAFETY AND AWARENESS SESSION

In response to the increasing relevance of digital literacy, the school conducted a Cyber Crime Awareness Programme on 13th December 2025 by Cyberabad police aimed at educating students about cyber safety, legal implications, and ethical online conduct. The programme enabled learners to develop responsible digital habits and a critical understanding of online risks and preventive measures. By fostering awareness, you protect personal data, maintain customer trust, and meet legal and regulatory expectations. Awareness is also a cornerstone of compliance frameworks such as ISO 27001 and the NIS2 Directive, which require evidence of proactive employee education on privacy and security risks.

EDUCATIONAL EXPOSURE VISIT

The Provincial Academic Visit on 20th December 2025 served as an extension of classroom learning, offering students experiential exposure to academic and cultural contexts beyond the school environment. The visit enhanced conceptual understanding, observational skills, and interdisciplinary learning through direct interaction with real-world settings. School inspections are conducted to assess the academic quality and verify that schools adhere to specified criteria. The inspection process entails a thorough assessment of different areas of a school, such as the curriculum, teaching quality, facilities, and resources.

SEASON OF SHARING

Christmas celebrations were conducted in a culturally enriching manner, reinforcing values of harmony, goodwill, and inclusivity. Through thoughtfully planned activities and performances, students gained an appreciation for cultural traditions while fostering a spirit of unity and mutual respect. The "real" story of Christmas centers on the biblical Nativity: Jesus's birth in Bethlehem to Mary and Joseph, heralded by angels to shepherds and visited by Magi, fulfilling prophecy as God's son born in humble circumstances for humanity's salvation, but the holiday also blends secular traditions, pagan winter festivals, and figures like St. Nicholas, with modern customs evolving over centuries.

HUMANITARIAN OUTREACH WEEK

Charity Week was observed on 23rd December 2025 as an organised outreach programme promoting social awareness and ethical responsibility. The initiative encouraged students to contribute meaningfully towards community welfare, strengthening values of cooperation, compassion, and social accountability. The ultimate vision of Charity Week is to become a vehicle to inspire young people to become active, socially engaged and united upon our shared Islamic and humanitarian values. Charity is vital for building stronger communities by meeting basic needs, funding critical services like healthcare and education, and providing support during emergencies, while also fostering empathy, purpose, and social connection for donors, leading to individual well-being and collective resilience against poverty and inequality. It bridges gaps where public services fall short, drives social innovation, and promotes global solidarity, creating positive ripple effects from individual acts of kindness to systemic change.

YOUNG ACHIEVERS

The selection of primary students kum. Sahasra D/O Rama Mohan Rao from Grade IV Daffodils, kum. Devansh Ram S/O Jeevan Kumar Dasari from Grade III Daffodils and Sarah Tayab D/O Tayab Ahmed Qureshi from Grade II Tulips were selected for national-level participation for India's Biggest Student Championship by the LEAD Group marks a significant academic milestone. This achievement reflects early skill development, confidence building, and the school's emphasis on nurturing leadership and communication competencies at the foundational level.

NATIONAL HONOUR RDC PARADE

The selection of an NCC cadet for participation in the Republic Day Parade stands as a distinguished institutional achievement. Mr. G. Jaideep S/O G. Babu from grade IX Daffodils was selected for Republic day camp. It underscores the cadet's commitment to discipline, leadership, and national service, while highlighting the school's sustained focus on holistic development and civic values. The National Cadet Corps (NCC) is India's voluntary youth wing of the Armed Forces (Army, Navy, Air Force) that trains students in discipline, leadership, and patriotism through basic military training, adventure sports, and social service, aiming to develop them into responsible citizens and a pool of motivated youth, potentially for defense careers, with NCC certification offering benefits for armed forces recruitment and other jobs. Its importance lies in character building, instilling national unity, providing valuable life skills, and fostering a sense of selfless service.

**Proudly
Congratulations**

G JAIDEEP

4 (T) BN secunderabad

On his prestigious selection for
the Republic Day Camp (RDC),
January 2026, New Delhi.
A moment of honor that reflects
dedication, Discipline, and
national pride

SCHOLASTIC EXCELLENCE

Sidra D/O Md. Samiuddin from GRADE VIII Tulips has been selected by Britannica for a national-level essay writing competition held at Delhi, represents notable academic recognition. She has received award from former IPS officer Kiran Bedi. The achievement reflects advanced writing proficiency, critical thinking and the ability to articulate ideas effectively at a national platform. Today, that legacy continues through Britannica Education, a global learning organization committed to empowering educators and inspiring lifelong learners. We serve schools, districts, universities, libraries, governments, and ministries of education, reaching more than 150 million students in over 100 countries.
