# **M**astering the Calendar: The Art of Time Management

**Dear Students and Teachers,**

November's calendar is filling up quickly with Pre-Boards, practical sessions, project deadlines, and internal assessments. This month is a practical lesson in time management and prioritization. Students, treat your schedule like gold. Do not procrastinate on projects; break them into smaller, manageable tasks. Teachers, we must be flexible mentors, helping students map out their timelines and manage anxiety around deadlines. By mastering the calendar now, we teach our students an invaluable life skill that will serve them far beyond the CBSE examinations.

# *Letter from the Editor Beloved readers,*

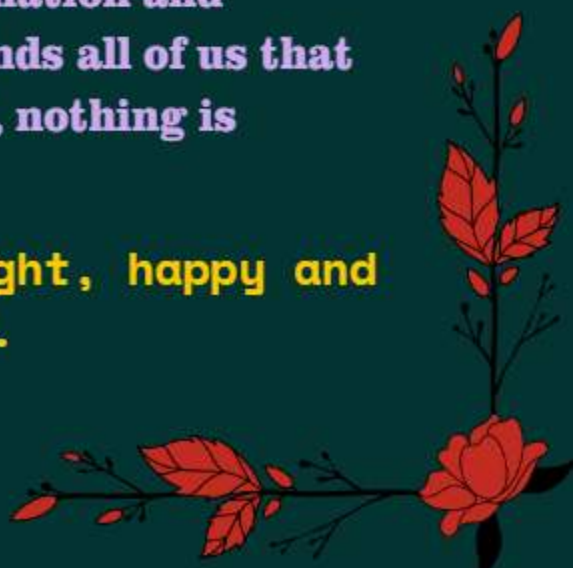

*It is with great joy and deep pride that I present before you this edition of our school magazine – a tapestry woven with the threads of imagination, creativity, and dedication. Each page breathes life into the dreams, thoughts, and expressions of our young minds, echoing the spirit of curiosity that defines our institution.*

*This magazine stands not merely as a collection of words and pictures, but as a reflection of our collective journey – a journey of learning, growing, and discovering the beauty hidden in everyday moments.*

*I extend heartfelt gratitude to all contributors, mentors, and readers who have nurtured this endeavour with their time, effort, and inspiration. May these pages kindle in you the same spark of wonder with which they were created.*

**We hope that they carry the same determination and confidence with them. Their success reminds all of us that with sincere effort and the right mindset, nothing is impossible.**

**Wishing all our students a bright, happy and successful future.**

# VOICE OF NATURE

With immense pride and joy, we the Don bosco high school has inaugurated the eco club on 16th October 2025, unveiling the “Voices of Nature” – a humble tribute to the Earth that nurtures us. This club is a reflection of our commitment towards the protection of the environment and cherishing the wonders of the natural world. Each plant reflects the echoes, the harmony of nature and the voices of young minds determined to make a difference. Through stories, poems, articles, and artwork, we aim to inspire awareness, responsibility, and love for our planet. May “Voices of Nature” remind us that the Earth speaks – in the rustling of leaves, the rhythm of rain, and the silence of the stars – and it is our duty to listen, protect, and preserve.

# Beyond the Bookshelves: How Our School Library Empowers Lifelong Learners

Our school library is more than a room filled with books — it's a vibrant and inclusive learning hub that inspires curiosity, creativity, and independent thinking. In today's fast-changing world, the library has evolved into a dynamic space that encourages exploration, collaboration, and personal growth. It welcomes every learner to read, research, and reflect in an environment that values both quiet study and active discovery.

With a diverse and carefully curated collection, the library opens doors to countless worlds. From timeless classics to the latest scientific breakthroughs, students encounter voices and ideas that broaden their horizons. Every reader finds something meaningful — stories that reflect their experiences and others that expand their understanding of different cultures and perspectives. This exposure nurtures empathy, awareness, and respect for diversity. The library also equips students with essential 21st-century skills.

Through guided access to books, digital resources, and online databases, learners develop critical thinking and research abilities.

They learn to question, analyze, and evaluate information responsibly. Technology has become an integral part of this learning — from e-books to coding and digital storytelling tools — helping students grow into confident, tech-savvy individuals ready for the future.

Beyond academics, the library fosters a lifelong love for reading and learning. Its engaging environment, special events, author interactions, and reading challenges inspire imagination and curiosity. By nurturing both intellectual and emotional growth, our library serves as a true launchpad for lifelong learning — shaping thinkers, dreamers, and leaders who will continue exploring the world long after they leave its shelves behind.
